MAUNA LANI, ISLAND OF HAWAII

Mauna Lani, meaning “mountain reaching heaven,” is a calming, healing place where Hawai’ian royalty retreated to replenish their souls. Today, it’s a peaceful escape that provides a wealth of refined amenities and resort activities.

Beyond indulging in spacious residences, guests at Mauna Lani also have access to the private Beach Club—one of the best-kept secrets on the Kohala Coast. The beach is protected by a cove and features coral gardens and abundant sea life, making it the perfect spot to swim, snorkel and stand-up paddleboard. Set 100 yards above the sandy beach is Napua Restaurant, where you can enjoy convenient oceanfront dining featuring locally-sourced meals. Paired with quintessential country-club recreation, guests can fill their vacation itineraries with activities from golf to tennis, choose to lounge poolside, or explore the petroglyphs.
